INDULGE IN EXQUISITE SEAFOOD AT NEW XAKAY RESTAURANT

Exquisite fruit of the sea, delicious fish and other coastal delights await at the new restaurant Xakay, the latest addition to Fiesta Americana Condesa Cancun's dining venues. Preparation expertly overseen by the hotel's executive Executive Chef Everardo Ponciano, the eclectic menu highlights the ocean's bounty, some procured locally off the coast of Cancun and even more from around the globe. Diners can experience mouthwatering options like the freshest Alaskan king crab, grilled oysters, Chilean sea bass, soft shell crabs seasoned in chipotle, lobster dripping in butter infused with a teriyaki essence, octopus grilled Mediterranean style and seasoned in olive oil, and many other options all created with international flair, offering surprising textures and flavors. The gleaming white restaurant with its rustic chic décor overlooks the ocean, a colonnaded open-air patio letting guests dine as sea breezes gently flow around them. The carefree ambience is enhanced by playful music, ensuring pleasure for all the senses and setting the tone for a perfect dining experience.

HEAD TO LOS CABOS FOR THE BAREFOOT EXPERIENCE

Grand Fiesta Americana Los Cabos presents The Barefoot Experience, a fun new way for guests to pamper themselves at the resort. This unique new experience is a multi-faceted way to learn, relax and get to know viniculture. The experience starts with a symbolic grape trampling followed by a foot massage by the resort's SOMMA WineSpa staff, all in front of the beach, adding to the relaxing sensory pleasure. After the massage, our sommelier leads you through a wine tasting experience, explaining the origins of the wines selected for sampling. All this culminates in a wonderful dinner under the stars in the open air, caressed by sea breezes.
