Cancun, Mexico (September 3, 2020) – Grand Fiesta Americana Coral Beach Cancun All Inclusive Spa Resort is proud to announce they've earned two Forbes Travel Guide Four Star Awards. "At Posadas, we are extremely proud to receive this important recognition that is a testament to the work and excellence of the care we offer to guests at Grand Fiesta Americana Coral Beach Cancun All Inclusive Spa Resort. This recognition motivates us and encourages us to continue offering unique experiences and to push to achieve the Five Star rating next year", said **Alberto Gurrola**, General Manager.

A first-time recipient of Forbes' Four Star Award, Grand Fiesta Americana Coral Beach Cancun All Inclusive Spa Resort is located on an exclusive stretch of white sand beach and boasts 602 suites with exceptional views of the turquoise Caribbean Sea. A few highlights of the resort's offerings include the Gem Spa, state-of-the-art fitness center, the award-winning Coral KidZ Club, and a wide variety of restaurants and bars. Among the resorts notable restaurants is "Le Basilic", whose French-Mediterranean cuisine has been awarded the 5 Diamonds by the AAA for 14 consecutive years, and this year was named one of the top 1,000 restaurants by France's La Liste. Earlier this summer, the resort also announced an exciting new option of experiences for its guests and a "luxury without limits" under the Infinite Luxury® by Grand Fiesta Americana concept providing a personalized experience in detail.

Earning a Four Star Award for the third year in a row, The Gem Spa at the Grand Fiesta Americana Coral Beach Cancun All Inclusive Spa Resort is inspired by the healing energy of gems from around the world, combined with an invigorating hydrotherapy. It also offers a luxurious and authentic experience with the warmth of Mexican hospitality that transports guests on a journey of the senses. With a new 4,000 square foot elegant design, the Gem Spa combines an abundance of precious woods, luminous Italian mosaics, sand colored marble, and running water that expands softly over black granite to create a perfect and innovative atmosphere full of luxury and relaxation.
