## Posadas' "Travel with Confidence" Program Highlights Traveler Safety & Sanitation Protocols

After a global pause in travel due to the COVID-19 pandemic, Posadas, Mexico's largest and most internationally known hotelier, is ready for the next chapter of re-openings with Travel with Confidence, a new program making safety, hygiene and flexibility protocols an top priority to ensure peace of mind and safety for all its guests. These new procedures are currently being applied to all of Posadas' 180 hotels and resorts in preparation for this summer season's travel, including La Colección Resorts with 15 properties throughout Mexico and Dominican Republic. The new program covers all areas of the resorts, addressing elevated cleaning, housekeeping, social distancing, food & beverage, employee personal protection equipment, and other aspects of daily operations to ensure the health of both visitors and staff. The program was developed in collaboration with 3M and uses its cleaning and other safety products, which are approved against SARS-CoV-2, the coronavirus that causes COVID, by the United States Environmental Protection Agency (EPA), throughout its public spaces, restaurants, amenities, guests rooms, receptions and other areas. With this new program in place, travelers can rest assured that their wellbeing and peace of mind is front and center with the Travel with Confidence program. This new program ensures visitors' comfort, safety and peace of mind so guests can have the most enjoyable, comfortable and healthy vacation.
